

## ► Communication Mastery

*Learn how to become a powerful and masterful communicator.*

Anthony Robbins once said, “The way we communicate with others and with ourselves ultimately determines the quality of our lives.” As a successful business owner it is critical that you master the essential art of powerful and effective communication.

The way we communicate with others determines the results we achieve. Communication affects every aspect of your business including your relationships with your team, suppliers and most importantly your customers. Join us on this one-day workshop and you will learn how to build effective relationships, inspire people, influence and communicate with clarity.

Communication Mastery is a practical and fun workshop where you will gain the skills, knowledge and resources to develop your listening skills so that you can really understand what people are saying. You will also learn how to articulate yourself to everyone with crystal clear clarity. Join us at this one-day workshop and become a masterful communicator.

“Excellent content, fun format, easy to understand with good worksheets.”

Anne Clifton, Glass Manifesto

### You will learn:

- The power and influence of your words, tonality and physiology and how to communicate with absolute clarity
- Your own communication style and how this affects your relationships with others
- How to understand what people are really saying to you
- The skills to create instant rapport with anyone
- Tools for discovering how people think just from the language they use
- Sensory acuity skills so that you can read people like a book
- How to use communication tools to improve your sales and negotiation skills

This is a hands-on, practical workshop. You will receive comprehensive workshop materials including a detailed workbook and tools that you can immediately implement into your business.
