

► Leadership Mastery

Develop your leadership skills and get the results you want.

Would you like to master the mindset, behaviours and tools that will enable you to quickly achieve your goals whilst engaging others to help you achieve them faster than you dreamed possible? Strong leadership skills are essential for business growth and long-term success.

Leadership Mastery is a 2-day, hands-on workshop that will transform your skills and enable you to expand and upgrade your mindset in order to achieve greater results. By the end of the program you will have the tools and mindset you need and the ability to share those tools with those around you.

You will learn about your own personal leadership style and how this impacts you and others. You will also learn the tools and secrets of some of the world's greatest leaders in areas such as goal-setting, communication, negotiation, team-building and coaching. Join us on this intensive 2-day program and transform the results you are achieving in your business and your life.

“*The task of the leader is to get his people from where they are to where they have not been.*”
Henry Kissinger

You will learn:

- How to upgrade your mindset in order to improve your results
- How to accomplish your goals quickly and easily
- How to passionately engage others to help you achieve your vision
- Your leadership style and what this means for your business and those who work with you
- How to become a master negotiator
- The power of team dynamics and how to build a successful team
- The tools for becoming an authentic and powerful leader

This is a hands-on, practical workshop. You will receive comprehensive workshop materials including a detailed workbook and tools that you can immediately implement into your business.

Your Presenter

This workshop will be delivered by Anthea Moffat from Business Fusion. She has in excess of 18 year's business and financial management experience and has helped many business owners develop more profitable and rewarding businesses.
