

► People Mastery

Learn how to build your team of champions.

It's often said that it takes team-work to make the dream work but how do you actually build and develop a team of champions? Ryunosuke Satoro said "Individually, we are one drop. Together, we are an ocean" and as you grow your business you are going to come to realise and appreciate the true power of that ocean.

Recruitment mistakes are very costly. In fact it is estimated that a bad recruitment decision can cost your business as much as \$60,000. Don't learn by trial and error, join us on this one-day workshop and learn the skills and tools to develop your all-star team. People Mastery is a practical and hands-on workshop where we will teach you how to successfully recruit align and manage the performance of your team.

You will learn the tools and systems required for a successful recruitment and selection process. You will also learn the art of effective induction and performance management including the secret to building a "happiness-centred" business that attracts employees and customers like bees to honey. This is a must-attend workshop for business owners and managers who want to create a team of champions all working towards a common goal.

“Great information with a lot of great ideas to implement.”
Grant Bird, The Factory

You will learn:

- The steps to building and maintaining a dynamic and committed team
- How to recruit the right people for your team
- Effective induction strategies – the things you should really be sharing with your new recruits
- How to successfully align team values to your business goals
- Performance management techniques to unlock the real power of your team
- The secrets to a "happiness-centred" workplace
- Techniques for discovering and fulfilling your teams' motivation strategies

This is a hands-on, practical workshop for business owners or those who have to manage a team. You will receive comprehensive workbook as well as tools and templates that you can immediately implement into your business.
