

▶ Speaker Mastery

Learn how to design and deliver spellbinding presentations to any audience.

In business it is critical to be able to design and confidently deliver “wow” presentations. Those who master these skills are able to increase sales and take their business to new levels of success. Would you like to become a charismatic speaker and banish those “speaker-nerves” forever?

The ability to deliver high-impact presentations is essential for all business owners and sales professionals. During this intensive 2-day program we will share with you the tools, techniques and secrets of professional speakers as you design, develop and deliver a “stadium pitch” for your business. Speaker Mastery is a hands-on workshop that will transform you into a charismatic and confident speaker.

You will learn and apply the tools of the world’s most successful speakers including how to design and structure presentations, build audience rapport and use language and sales skills effectively. You will also receive comprehensive coaching as you develop your own “stadium-pitch” to ensure that you master your new skills and perfect the art of delivering your presentations with confidence and enthusiasm.

“90% of how well the talk will go is determined before the speaker steps on the platform.”

Somers White

You will learn:

- The key to structuring your message to develop a spellbinding presentation
- The steps to building your content to ensure it achieves your desired outcomes
- Techniques to overcome “speaker nerves” and be confident in front of audiences of any size
- Communication and language skills to ensure you communicate with clarity
- How to engage all of your audience and hold their interest
- Powerful sales techniques to move your audience into action
- How to overcome hecklers and objections

This is a hands-on, practical workshop. You will receive comprehensive workshop materials including a detailed workbook and tools that you can immediately implement into your business.
