Business Masters Club Member Code of Conduct

We are very proud and protective of our Business Masters Club members and it is our privilege to have you as part of our community. We understand that everyone has the best intentions however it is important that you take a few moments to review our Member Code of Conduct.

1. The primary purpose of The Business Masters Club is to bring together business owners who want to learn with and from one another. If your primary purpose of joining is to "sell your services" we would recommend that another networking organisation may be more suitable for your needs.
2. We encourage members to actively use, support and promote the other members. You may contact any of the member businesses to seek their assistance or engage their services.
3. The member database is the property of Business Fusion and we will fiercely protect our member privacy. You are not permitted to copy in part or full any part of the member directory or create your own database from the member directory.
4. The purpose of the member directory is to promote the members. Please do not email other members with your promotional offers unless they have expressly opted into your mailing list.
5. We encourage members to make available special offers to other members. You can provide details of those special offers in your member directory listing.
6. Your login access code to the Business Fusion website has been provided to you for your sole purpose. You must not provide your login / access code to anyone outside of your business.
7. You are welcome to bring your business cards to exchange at the events. Other promotional materials are permitted at selected events during the year. We will inform you of the events where you are permitted to bring your other marketing materials.
8. If you are bringing guests to the events we ask that you make them aware that we do not permit guests to distribute marketing materials. They should only contact members who have expressly asked them to or whose services they wish to engage. They are welcome to bring and exchange their business cards.
9. If we consider you to be in breach of the code of conduct you may be asked to leave the event and your membership terminated.

Should you have any questions in regards to the above please contact Client Services to discuss. It is our assumption that by being a member you agree to act in accordance with this code of conduct.
