

How Much Better Would You Perform If You Had Your Own Coach?

Any successful sporting athlete will tell you that they would not have achieved a fraction of their success without the right coaching and mentoring. They know the incredible value of having someone hold them accountable to get the very best out of their performance.

How is business different? Well it's not. Experienced coaches like *Francesca Vinci* bring out the best in business people. She knows how to get you playing your "A" Game... and believe us when we tell you that your "A" Game is far better than you think it is.

Our **Mindset Coaching Program** is designed for those business owners who want to bring out the best in themselves... Achieve more... Be more. Simply put, Francesca's coaching clients achieve greater results, faster.

The **Mindset Coaching Program** is a structured program where you will work one-on-one with your coach, Francesca Vinci, as you learn and apply techniques to:

- **Take control of your life and focus on what really counts**
- Create a vision for your life and gain clarity on your top-priority goals
- **Develop your action plan for achieving your goals including your breakthrough goal**
- Deal with habits and behaviours that are currently holding you back
- **Be held accountable for taking action on your goals**
- Increase your effectiveness and focus as you eliminate the unnecessary and the undesirable
- **Improve your performance and time management skills**
- Increase your balance, results and happiness

Either weekly or fortnightly you will have a one-on-one 45-minute coaching call with Francesca, as you work through the materials implementing the tools and strategies into your life. The program comprises of 10 structured sessions and each call will increase your momentum and accelerate your results.

What Our Clients Say: *"Business Fusion's Mindset Coaching does not just help you in business, but in every area of your life. Working through a structured programme combined with an amazing facilitator, this process enables you to imagine and achieve beyond your wildest dreams. It is a life changing experience that I would thoroughly recommend."* **Mel Stibbs**, Edward George.

Investment: Your investment in the Mindset Coaching Program is \$1,770.00 for 10 sessions. Monthly payment plans are available (\$354.00 x 5 payments). You will also need a copy of *The Success Principles* by Jack Canfield which we can supply for an additional cost of \$30.00.

The program is covered by our 100% no-fuss, money-back guarantee.

About Francesca Vinci

Francesca is our mindset coach and sharing the techniques and tools that she has learnt over many years is her passion and her gift. Francesca is a qualified coach and Master NLP practitioner. She has literally coached hundreds of our clients and she's someone who we are proud to have on our team.

"Since engaging Francesca as my coach, my life has improved in all areas! She helped me to define my life purpose and set 101 goals including a bigger Breakthrough Goal, which, with her guidance and support I am well on my way to achieving. She also helped me to overcome a few hurdles which popped up. I am achieving successes (and noticing them) more than ever. Thanks so much Francesca!"
